# THE KLEMAN FAMILY

## 'REDEEMING THE TIME' EPH 5:16

## A Summer of Answered Prayer

### Dear Praying Family and Friends,

The past three months since our last update have provided countless ways to praise the Lord! Genuine miracles have happened through God answering specific prayers and providing simply because He is Good and "daily loadeth us with benefits". While not nearly all of them, we are grateful to share with you a few ways we have seen God at work:

**July** is a month each year that sees our family travelling up and down the motorway to Crown Hall, in Droitwich Spa, where Camp Victory is held. It's there that we help the Crown Christian Heritage Trust missions team prepare for the 2 week summer camp it provides for young people across the UK and mainland Europe. This year's theme was "Journey Through the Jungle", taken from Jeremiah 29:13: '*And ye shall seek me, and find me, when ye shall search for me with all your heart.*' Each year the camp team spotlights a missionary or historical Christian figure. This year's choice was Jim Elliot. Between the gripping sketch of his life, the powerful salvation testimonies shared, the challenging gospel messages and other Bible-focused elements, Christ was truly lifted up to draw all men unto Himself. He met with us in a tremendous way. Several young people made decisions for Lord and were challenged to surrender their lives, whether yielding in salvation or furthering their Christian walk. We are thankful that between the two weeks Breck Road was able to take down 41 young people from our youth ministry, 8 young people from the Norris Green church plant and 20 volunteer workers from our church! Some of our own young people for whom we have been praying even made a profession of faith. One of those was a girl whom we just found out last week is being required to move from the area. She was almost unable to attend camp due to finances, but several in our church paid her way. Praise the Lord for how He works in burdening people to provide so that others can hear the gospel! We do not know when or if we will ever see her again; how merciful and loving is our Heavenly Father to have given her this opportunity? Travelling so much on the motorway, especially with young people in various vehicles, also reminds us of God's hand of protection that we never want to take for granted. In July we also had a big church project of tearing up pavers and laying down new brick work and grass in areas surrounding the front of the church. God has brought to our church a sweet man from Moldova who is a professional brick-layer. He was able to head up this project whilst an army of men, young and old, helped with what was needed. A few of the ladies were able to help prepare meals for the group and keep everyone hydrated! It was a very special week for our church and the spirit amongst everyone working was so encouraging.

The month of **August** saw the last week of Senior Camp, the start of a new term at Crown Hall and the Heritage Bible Conference. We are thankful for the start of the new term at the Bible training centre, Crown Hall. This term we have students from the UK, Netherlands, USA and New Zealand! It is always encouraging to hear how God has brought these young people for training in England. Their steps of faith are remarkable with some surrendering family and jobs to follow the Lord's leading. Please pray that this term would specifically encourage and challenge these young adults in their faith and zeal. The Heritage Bible Conference at the end of the month was a blessed time for those who came. Pastor Thomas Satterfield from Atlanta, Georgia was the guest preacher for the meetings this year. The Lord greatly used him to challenge us in our theme of "Battling and Building" based off Nehemiah 2:18, "*Let us rise up and build.*" Gathering with Christians from across the United Kingdom is such a precious reminder that the Lord always has a people and that His work is endlessly advancing.

**September** was a very busy month. Joy started back homeschooling the boys after having July and August off for the camps and conferences. It's been a bit of a learning curve juggling the two little girls whilst teaching the older boys, but God is guiding us and we are learning how to "order our days". Wyatt has begun speech therapy classes to help with a slight impediment that he has in word pronunciation. We are thankful that the therapist seems to think he will be helped; she is a lovely lady and Wyatt, though only 5, is a sweet witness to her as he tells all about church, his friends at church, sings her songs from Sunday School and has even quoted one of His Bible verses for her. Wyatt loves to talk, so her job being that of having to listen to him is right down his alley! In our last prayer update we requested prayer for Jared who had been experiencing severe gallbladder attacks. Throughout the summer Jared had about 6 attacks; each attack landed him at the emergency room (A&E) with excruciating and debilitating pain. Thankfully, during his last attack, the nurse had compassion on him and had mentioned trying to move up an appointment that had been scheduled with a surgeon. We were so grateful when Jared got a call to come in about a week early. At that appointment, the surgeon scheduled his straightway for his gallbladder to be removed and that Tuesday it was! We praise the Lord for His had of protection as Jared went into surgery, safety in the removal of his gallbladder, and a very smooth and swift recovery. He was able to invite one of his nurses to church; she lives near the church plant in Norris Green. We are thankful he was back on his feet quickly as that following Sunday was the dedication service for Lillias Jane. The following week, Breck Road was able to host a 4-day Gospel Tent Mission in a park in Norris Green. We set up a large Marquee in the local park and invited people through open air preaching in the town centre and leafletting and door-to-door evangelism each day. Throughout those days we witnessed countless answers to prayer. Over 60 visitors from the area attended one or more of the gospel meetings. On the final night, 101 people were in the meeting. Each night the Lord gave men from our church safety as they slept in the marquee to prevent theft. Only one of the evenings had a small encounter with a few lads attempting to enter the marquee. Otherwise it was surprisingly, especially for the area (!), quiet. Praise the Lord! We held a children's Bible club each night, as well, and were able to make new points of contact for the weekly Bible club. It was a special blessing to learn that a lady who attended the meetings made a profession of faith. Please pray with us as we follow up on the contacts made.

### OUTDOOR PROJECT

#### Even path & outdoor garden space

In our last prayer update we had said about the aim for this project was to prayerfully be completed in July. We are thrilled to share that God gave great unity within the church and this project was completed in a week's time! Many men in the church worked from sun up to sun down and the finished results are stunning. We praise the Lord for His provision in funds and labourers to see this project completed.

### NORRIS GREEN BAPTIST CHURCH

#### Second Church Plant in Liverpool

The church plant in Norris Green has seen growth this Summer. We are thankful that 8 young people from the Bible club attended Camp Victory this year. We are also thankful that a Gospel Tent Mission was able to be held just the other week. It was a 4-day mission in a park in the Norris Green area. We were able to distribute gospel leaflets, erect a large, white marquee and hold a nightly Bible Club for the children at 5pm and evening meetings at 7pm for adults/families. Over 60 visitors from the Norris Green area came out over the four days. On the final evening, 101 people were in attendance, sitting under the sound of the gospel. We are now in the process of following up with the contacts made and praying for fruit to abound.

### BAPTISMS, CAMPING AND MORE!

#### A Working Church for sure!

Our church-wide theme for this year has been "*A Working Church*" and it has been so sweet to see how God has been stirring our people and advancing His work. This Summer we were able to see **one of the young people from our Sunday School baptised!** She has been attending since she was about 10 years old. She was saved after a youth rally last year and this Summer was baptised. Another young lady was baptised with her. Their testimonies are so powerful and we are thrilled to see them follow the Lord in this next step. Another blessing was a **men's camping trip** held for men in the church. They went to Snowdonia, Wales and enjoyed a time of spiritual refreshment whilst being outdoors. It was also a privilege to have a **group from our home church in the States**, Temple Baptist Church, come for a mission's trip. They were a great encouragement!

## Breck Road Baptist Church

We have seen over 100 people attending the services on Sunday mornings at Breck Road and anywhere between 35 to 45 people on Sunday evenings. A great group of university aged young people have been attending- last Sunday 27 young adults were in the meeting. Please help us pray for the University Bible study. We were meeting at a small cafe on a side street last term, but that location has changed hands to owners who do not want us to meet there any longer. We are currently looking for other places to meet and hope to start the Bible studies back up in October. The English Classes have started back from the Summer break, as well as the Playgroup and Youth Rally. There is a real sweetness and eagerness in the English classes at the moment. We are praying that the Lord will make clear His truth despite language and cultural barriers- thankfully these things do not hinder the working of the Holy Spirit. The Sunday School has been a true bright spot as of late. We are now busing in over 100 children each week to the Sunday School. *In the last month our highest attendance has been 110 and our low has been 101.* We are currently using 5 minibuses (that seat between 15 to 17), a 9-seater van (our personal car) and a 7-seater van (another worker's personal car) to bring the young people in. At dismissal we usually end up using 2 more worker's vehicles to help ease the load as several buses are having to make two runs to collect/drop everyone. That being said, **another minibus (or two) would be a tremendous blessing and would help to ease the load of these amazing growing pains.** Please help us pray in this way! In the near future, as well, we are praying about dividing the current Sunday School classes into 4 to 6 more smaller classes. Right now 2 of our classes have about 30 young people; smaller classes would allow more personal teaching. In order to do this we need a clever way to divide the ministry hall room into 4 to 6 different areas. We have some potential ideas, but are seeking the Lord's wisdom on what He would have us do and how. Please help us pray concerning these things! Our Home Education Sessions have started back as well with the first one being this past week. New families joined in, allowing us to minister to about 37 home educating children and their parents. Our start back was very sweet as a sense of community and openness was felt. Some mums have been bringing their children to the Sunday School and others expressed interest in the church or other ministries. We are thankful for this unique arm of ministry and are thankful to be able to minister to these families in this way.

## Our Family

Experiencing life and ministry with our little family brings so much joy. Whilst sometimes we definitely feel over our heads parenting and navigating life with four children under 7, God has been so faithful. In the midst of Jared's gallbladder ordeal, Wyatt had a scare where a toy hit him in the eye and it started bleeding. Thankfully it was just a burst blood vessel, but for a few hours of uncertainty it was nerve-racking. Other than that and the usual children skirmishes and bumps and bruises, we are thankful for the health and safety God has given our family. Wesley is now 7 and in second grade (year 3). He loves lego and learning history. When not building "bases" and climbing the tree outside, he enjoys listening to audiobooks and drawing or building lego. Wyatt is 5 and in kindergarten (year 1). He loves to colour, build lego and play games. He, too, enjoys riding his bike and climbing the tree outside. He recently lost both of his front teeth, so that's been a big deal at present. Elsie is 2 and has the most fun personality. She was told recently by Wyatt that "just because you are a princess doesn't mean you can break my lego!" She was doing great toilet training (as asked prayer for in our last update) but had a bit of a regression during camp. Therefore we are still at it, but close! She loves her baby dolls and adores Liliias. In fact, they all adore Liliias! Liliias Jane is nearly 6 months. She rolls over ridiculously fast and is starting scoot her way across the floor. She is enjoying the tastes of simple foods and has the most docile, sweet personality. She is definitely a people baby- we like to say she is "enjoying fellowship" because she would rather be around the noise and hustle-bustle than in a quiet space. Jared and I celebrated 14 years of marriage this June! THAT is hard to believe. Serving together and raising our family for the Lord is one of the most challenging and yet rewarding things. We are privileged and thankful for every new day.

*We know that we would not be able to be reaching this part of the world for Christ if it weren't for YOU and your faithfulness to the Lord in your area of service. THANK YOU for being faithful to Him.*

## Redeeming the Time for Him!

The Klemman Family in Liverpool, England

Temple Mission's Trip

Camp Victory Junior Week

Jared post Gallbladder Surgery

Over 100 in Sunday School

Baptism Sunday

Outdoor Project

Men's Camping Trip

Gospel Tent Mission in NG

Full Sunday Morning Services

Home-Ed Session

Camp Victory Senior Week

## PRAYER REQUESTS

1. New minibus(es) for the youth work
2. Elsie with toilet training
3. A new location for the University Bible Study
4. The contacts made at the Norris Green Gospel Tent Mission
5. Travelling to take place in October

## A GLANCE AT OUR WEEK

### SUNDAY

Morning Service • Sunday School  
Prayer Meeting • Evening Gospel Service

### TUESDAY

Playgroup • Norris Green Bible Study

### WEDNESDAY

Crown Hall Classes • Norris Green Evangelism  
Prayer Meeting & Bible Study

### THURSDAY

Crown Hall Classes/Meetings  
University Bible Study (TBD)

### FRIDAY

English Classes • Norris Green Bible Club  
Youth Rally

### SATURDAY

Visitation • Prayer Meeting

### MONTHLY MINISTRIES

Men's Breakfasts (Sat)  
Home-Ed Group Day (Mon)  
Young Adult Fellowship (Sat)

## UPCOMING EVENTS

**In addition to the weekly and monthly ministries of Breck Road and Norris Green, please help keep these upcoming events in prayer...**

### OCTOBER

- Gospel Tent Mission in Builth Wells, Wales
- Joy and the children to visit family in FL
- Our family to be at the missions conference at our home church, Temple Baptist Church.
- Holiday Bible Club at Norris Green Baptist Church and Breck Road Baptist Church

### NOVEMBER

- Mission's Conference at Breck Road
- Harvest Sunday at Breck Road
- Remembrance Sunday
- National Youth Rally

### DECEMBER

- Christmas Party at Crown Hall
- Ladies' Christmas Gathering at Breck Road
- Christmas Carol services at Breck Road and Norris Green
- End-of-Year Christmas parties for ministries
