

Start of the New Year in Nicaragua - 2026

*Isaiah 43:19 Behold, I will do a new thing; now it shall spring forth; Shall ye not know it?
I will even make a way in the wilderness, and rivers in the desert.*

Greetings! Our God is so great and powerful, to Him we give all the glory! Miracles come in all shapes and sizes! New works are being raised and souls are being saved. Praise be to God, we are so grateful. Recently a Missions Conference was held at Iglesia Bautista Renacer in Managua led by Pastor Ramon Gonzalez and his family. This mission conference is held once a year and many are called to be missionaries to go to villages and towns within their own country to work as pastors and church builders. These pastors work hard and many of them share their living area with the churches that they serve.

Below is a short list of the pastors that have come through the Bible Institutes and have been sent out to the fields of Harvest by the local church Renacer, which recently celebrated 50 years of ministry! To our God be the glory! We are so excited for these pastors and churches. Please continue to pray and give to support these pastors.

An additional 14 students started this year at the institute in Puerto Cabezas! Praise God! These students will go on to be leaders in the national church building work, in all parts of Nicaragua. It is our hope that most go back to the villages and towns where they are from and bring with them the good news of a risen Saviour!

You can help support many of these pastor families and teachers with a small gift each month to make their lives better. We ask you to continue to pray and give so that they can continue their important work in these small towns and villages. Please give by sending a gift to: BIMI for missionary 38 (Bible Institute Fund) Acct 261, PO Box 9 Harrison TN 37341.

Yours in Christ,
Sabina Dayton
