Ministering  
Through Bible  
Distribution

Dear Brother Kelley and Friends at West Jacksonville Baptist:

Promoting  
Open Doors  
and Missionary  
Opportunities

We trust that you are well and that the Lord is blessing your labor for Him. We are doing well and are trying to get through the very cold weather that we are having. Thankfully, we have not had any power outages yet. We are praying for the people who are having such a difficult time during the snow and ice storm.

Publishing  
*Nations Magazine*

It is a joy to serve the Lord and to encourage Christians to have a burden for lost people in America and in other lands. Please pray for our upcoming meetings that the Lord will use us for His glory.

Speaking in  
Churches and  
Promoting  
Mission Giving

As we think about God's blessings in 2025, we are grateful for the churches that we have had the joy of ministering in and the people in those churches that have been a blessing to us. We are grateful for the thousands of Bibles that have been placed into homes in Great Britain. We are grateful for DEAR FRIENDS LIKE YOU because without your prayers and financial help we would not be able to do this wonderful work that God has called us to do. Thank you!
