

September 2025

Dear Friends and Family,

Deputation is now in full swing! In September, we traveled from Jacksonville all the way up to Michigan and back, with several stops along the way. We were richly blessed by the fellowship we shared with pastors, church members, and our home church throughout the month.

Looking ahead, this next road trip will carry us all the way through Veterans Day. October's schedule includes meetings in Georgia and Florida, along with a flight out to Washington State and back. Please keep our children in prayer, as this will be their longest stretch on the road so far. After just a couple of weeks last month, they were already missing home, church, and friends.

Travel can sometimes feel isolating and lonely, but we are encouraged knowing that so many of you are faithfully praying for us. We are also reminded of Mark 14:50—when Jesus was left completely alone in His darkest hour before Calvary. If He endured that for our sake, surely we can endure a few weeks of travel for Him!

Prayer requests:

1. For our family not to feel too lonely while on the road.
2. For safe travels on the road and in the sky this month.
3. For Melissa as she started homeschooling Ellie, and for homeschooling on the road to be a smooth transition.

In Christ,
