September 2025

Dear Pastor and Friends,

God is great! This month we had 290 children in our VBS. Then the second week, in the area called Sin Techo, we had around 180 children every day. Then in the third VBS, we held it in the area called San Jacinto, we had around 195 children every day. Then we had about 12 other VBSs in the different areas of the city. About 200 children were saved. Praise the Lord! Pray that God will help us disciple these children and also win their parents to Christ.

We had planned on 20 VBS, but because of the political situation we were only allowed to do 12. We will go into the doors God opens for us.

I was talking to all the teachers of our Baptist Bible Institute to get ready for this year's classes that start September 25. Pray with us that God will call many to prepare. It has always been my desire during all these years to prepare men and women to go out and start new churches and missions, to know how to work with children, youth and whole families. Even though the situation here continues bad, God has been opening doors of new places, starting with classes for the new believers sometimes under a tree. Then God helps us to be able to build a building where they can meet.

What a High Honor to serve our God all mighty, King of Kings, that will be coming soon and very soon.

May the Lord bless and use you all mightily.
