JULY 16—OCTOBER 15, 2026

Dear Missions Partners & Praying Friends,

1 Corinthians 9:22 (KJV) To the weak became I as weak, that I might gain the weak: I am made all things to all men, that I might by all means save some.

In my previous letter, I mentioned that my wife and I were in Mindanao, Philippines, where we visited about 18 churches—some newly established, but mostly long-time supporters who have stood with us for 18 to 20 years. I thank the Lord for His traveling mercies in granting us safety throughout our land journey. Along the way, we experienced mechanical trouble twice and faced rough seas due to the southwest monsoon season, or *habagat*, as we crossed from Surigao by ship to Leyte, Samar, and onward to Sorsogon.

While in Manila preparing for our return to the mission field, I was also given opportunities to preach. I spoke at TBBC, Caloocan, under Pastor Samson, during their Missions Emphasis Month; at BBC, Sta. Mesa, under Pastor Solomon (formerly Missionary Lyons), during their Grandparents Sunday. This church has supported us for 20 years, and it was my first time preaching there again after two decades. I also attended the World Missions Conference in San Fernando, Pampanga, under Pastor Garcia, formerly a missionary to Indonesia. I had not been there for 12 years. Additionally, I was the kickoff speaker for the Missions Emphasis Month in Angeles, Pampanga, under Missionary Decurtis.

On our last Sunday before heading back to the field,

I preached at the Bldg. Commitment Sunday service at Bethel Baptist Church in Bulacan, under Pastor Toquero, and in the afternoon, I spoke at my sending church in Cainta, Rizal. I thank the Lord for the people who were saved, surrendered, and rededicated their lives to Him during these trips and church visits and the gospel tracts distributed.

Doing missionary work as God's servants, we sometimes neglect our own health. Yet this body is the only tool through which we can continue the work God has entrusted to us. My wife and I recently had medical checkups. Please pray for her overall health, since the medical results were not encouraging.

We touched down in Malaysia at 1:00 a.m. on Sunday, October 11. There was a slight delay at immigration because additional documents were required, but by God's grace we were able to provide them with the help of a church member working in Malaysia. After resting for a while, I preached at a church in Kuala Lumpur for the entire Sunday and on the next day, we headed back to Ipoh by train.

Please pray for our "Plan B," as we are preparing to apply for a visa in Thailand and begin a new missions work near the border of Malaysia. This will allow us to reach out to Thai, Chinese, Malay, and Tamil communities with fewer issues and challenges from the government. From time to time, we also hope to cross over and assist the church in Ipoh, Malaysia, while they continue to pray for the Lord to provide them with a pastor. Thank you for your prayers and financial support.

His Servant and Yours,

Mssy. Mausisa (CRAN)
