

March/April 2026

Conferences, Camp, Construction and Connect!

During the month of March we celebrate the anniversary of three of the churches we planted with evangelistic conferences in each of those churches.

30 year anniversary of our first church, which we planted in the state of São Paulo. Pastor Wagner continues as pastor for 25 years. His wife Erica is the principal of the Christian school and he heads up the Ebenezer Bible Institute with nearly 30 students preparing for ministry.

Anniversary Conference of New Life Baptist Church of Inga, we planted in the inner city of São Paulo 21 years ago. Pastor Seth, our son, has been pastoring the church for five years and doing a first class job. The church is presently in a building program and working to purchase the warehouse next door to make way for a much needed expansion of their present auditorium. The extra space will provide a location for a future school and training center for Christian workers.

Anniversary Conference of New Life Baptist Church of Guacuri, we planted in the city of Diadema. Pastor Uarlisson was saved and trained in our main work. We planted this church with a team from our main church. At the time Uarlisson and his wife, Grazi, were students at the Bible Seminary. They had four years of "on the job training", while they studied in the classroom. Upon graduation, Uarlisson was ordained as pastor. Recently, we purchased property and built the church on a busy avenue, where it continues to grow and thrive.

South America Field Conference - In March we held our BIMI field conference for missionary church planters all over South America. This year we gathered together in Brazil with about ninety missionaries from six South American countries. We were blessed and challenged through the preaching of Dr Jim Townsley from Central Baptist Church of Southington, CT. It was a sweet time to fellowship with our missionaries and to sharpen our spiritual tools from God's Word. (Pv. 27:17) *"Iron sharpeneth iron; so a man sharpeneth the countenance of his friend."*

Pray for Missionaries to Trinidad
Matt, Erika AND baby Eliza.

Construction Projects Are Full Steam Ahead

The retainer wall and foundation for the expansion has been completed.

Actually we were required to build three separate walls to contain the mudslide and remove 47 truckloads of mud before laying the foundation!

Thank You to all those who helped with this urgent need!

PLEASE PRAY!!

Opportunity to Purchase Adjoining Property and Warehouse!

For many years, we have prayed for the property contiguous to our church property. The owner of the property reached out to the church last year, in 2025, to find out if we would be interested in purchasing the property before it goes on the market. The church was able to work out a deal to rent the property for a year, with an option to buy. This has especially helped access our adjacent property during construction on the retainer walls. It would obviously be a huge blessing for us to be able to make use of the property. We have until August to make an offer. **Please join us in praying for the Lord's will to be done in this matter.**

Family Camp - We were blessed to preach and participate with four of our missionary families at their annual family camp for churches in northwestern Brazil. There were nearly four hundred campers packed into the camp for services and activities morning and night. We rejoice that there were at least 12 professions of faith and many other decisions for the Lord.

BIMI Connect trips in five South American countries this year. We are beginning our season of med-evangelism trips. We will lead evangelism teams to help our church planters in Brazil, Bolivia, Colombia, Guyana and Peru. Predominantly working in the Amazon basin, our teams will assist our church planters who are reaching underserved areas in South America. We accept volunteers to labor with us as to connect the church with the great commission of Christ. **We presently have 76 volunteers signed up!** Perhaps God would have you to join a missions team this summer! You can sign up at bimi.org/connect/home.php or Amazon4Christ.org

Connecting with the Commission and God's will. In April, we were blessed to visit one of our children in the faith, serving in the Caribbean nation of Trinidad/Tobago. Erika and Matthew both volunteered for our **Amazon Connect** trips in 2019. Erika, a nurse, was saved and trained in our church in São Paulo, Brazil and Matt was trained at Capitol City Baptist College in Austin, TX. God allowed their lives to intersect through the Amazon connect ministry and called them as missionaries to Trinidad. Recently, we were with them to preach and to dedicate their first child, Eliza, to the Lord. Pray for them as they lead Revival Baptist Church.
