

The SCOTT CRABTREE Family

Missionaries to the Deaf

"There is no speech nor language, where their voice is not heard." Psalm 19:3

Geo: "Can I do the opening prayer for church on Sunday?" **Me:** "I thought you were going to be in Canada this Sunday." **Geo:** "I am, but I'm going to video a prayer and send it to you so you can use it!" These were the words of Geo, a Deaf man who made a profession of faith recently who is seeking the Lord in his life. He was so excited for us to show the video of him praying in the service all the way from Canada. His wife and 17-year old stepdaughter, Kianna, will be moving to America in the next few months and they can't wait to be a part of LifeSigns Deaf Baptist Church. I was able to FaceTime Kianna while she was in Canada and lead her to the Lord. She and her mother flew in from Canada recently, arrived at 10am, and then showed up at 11 so Kianna could be baptized. Geo's parents came for this special event. Please pray for this precious family as they get plugged into our church.

We have had the opportunity recently to report to some of our supporting churches and visit new ones in Illinois, Ohio, Missouri, Maine, California, and Canada. The need is great here in America regarding reaching the Deaf but even more so in Canada. While there, a Deaf man came to a service where his hearing uncle attends. He said that his mother went to church all the time but he never gets the opportunity since there is never an interpreter. Another Deaf adult in Maine said it was the first time he had been in church where the service was in his own language. Please pray for these two men as we intend to reach out to them by video to share the Gospel with them more in depth.

We ended this month with our Old Fashioned Sunday which our people seem to enjoy every year followed by a Thanksgiving meal. During this time of the year, we want to thank you for holding the ropes as we seek to win the Deaf for Christ. You make the difference!

****Please continue to pray as we attempt to pay off our property by the March deadline. God has blessed with 15% remaining. Thank you to everyone who has helped us in this endeavor.**

**Geo, Tammy, and
Kianna with family**
