From your heart to the world...hope is born

Horizon of Hope Ministries Romania/Ukraine Dr. Marvin E. Lane April 2026 Issue

Andrea is our oldest girl at the Village of Hope. She was baptized at Ineu Baptist Church. Recently, she celebrated her eighteenth birthday.

We received her and her two bothers when she was seven. Standing by her in front of the church is Andre. She is faithful to church. God has gifted her with musical talent. She is a blessing to the other children as well as our staff.

Four years later, we are still receiving Ukrainian refugees.

We aided in bringing a pregnant lady and her teenage bother to Romania. We were able to give them a months supply of food.

Pray For Ica's Family
