Standing by the gate and
pointing the way to Jesus Christ.

Dear Friends at WJBC,

Just the other day I was in a local business and I had a conversation with a lady from our town. At one point she said "you are a lot more evangelistic than I am." At that moment I simply went on with our conversation but as I reflected on it I thought Praise the Lord she noticed. My prayer for you all is that the folks in Jacksonville, Florida would say that you are more evangelistic than they are. Someone in this world needs to get the Word out that Jesus saves!

That's what we tried to do this last summer. With your help we passed out more than ten thousand tracts to people from all over the world. I met people from every continent except Antarctica and from over 25 different nations. We gave tracts to folks from every state in the nation including Florida. Thank you so much for the help you send every month so faithfully. God Bless You. Now please pray that His Word would not return void. That the seeds of the gospel would take root in a heart.

You also helped us to provide some respite for some of God's choicest servants. We were able to host 13 different Pastors and Evangelists and give them some rest and relaxation. Some nice fish were caught, the biggest this year was a 110 pound halibut caught by the daughter of a pastor from Wyoming, fishing with her dad. What a memory was created for this family and you made it possible. I can't thank you enough. It's time for you to send your Pastor here and let him enjoy some cooler water. We would really enjoy that.

The boats down for maintenance and the cruise ships are gone for the season but that doesn't mean there is not lots to do. As we approach the Christmas season we are active in our community reaching out for the Lord. And we trust you are too. We pray that the coming year will be one of reaping for His harvest as we sow the Word.

God Bless You all. Merry Christmas and again Thank You for everything.

A handwritten signature in black ink, appearing to read "John Judson".
