Prayer and Praise Letter for the 3rd Quarter of 2025

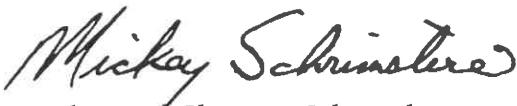

Greetings in the name of our wonderful Savior Jesus Christ. Our hopes and prayers are that everything is going well for you and yours as we look forward to these closing seasons of 2025. I know you are already making plans to honor the Lord and reach the lost during these seasons ahead. I hope you will be very successful. It seems the year has just started, and we are already nearing its end.

Concerning our request for help getting Chick tracts, a “thank you” and a “praise the Lord” for one church that has responded. We have received a case of Chick Tracts, “This Was Your Life,” and we are already putting them into the hands of people at the market. Most people come to the market hoping to find something they can’t live without and that they can afford. We have something they can’t live without, and it is totally free for the believing and receiving. Maybe your church would like to help us as a mission project this fall. I am including a picture of a young man reading the Chick tract I had just given him and a picture of our October outreach. We had eight people saved this past quarter. Praise the Lord.

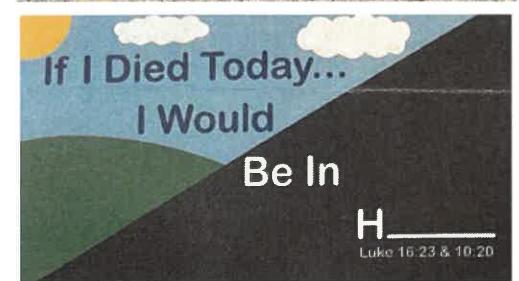

The children’s work is continuing now that school is back in session, and we are enjoying it more than ever. Last week we had 93 children at our meeting. I love the thought of investing the Gospel and Christian values in their lives while they are still so young.

I am placing a picture of the front and back of a business size card that we also give to everyone at the market and many other places. Check out the QR code to see the streaming videos that we have on the website. On it you will find a great salvation message by Dr Ted Camp, an animated presentation for young people, my video of how to be saved and know it, a Spanish gospel video, and a sign language gospel video. If you can use this code, feel free to copy it. If you would like a supply of these cards for your own evangelism outreach, they can be ordered from Silent Word Ministries, Box 889, Trenton, GA 30752. I hope you will use it to God’s Glory and the salvation of lost people where you live.

Thank you for your faithful prayers and support as we serve the Lord in His Harvest field.
