Dear Prayer Partners,

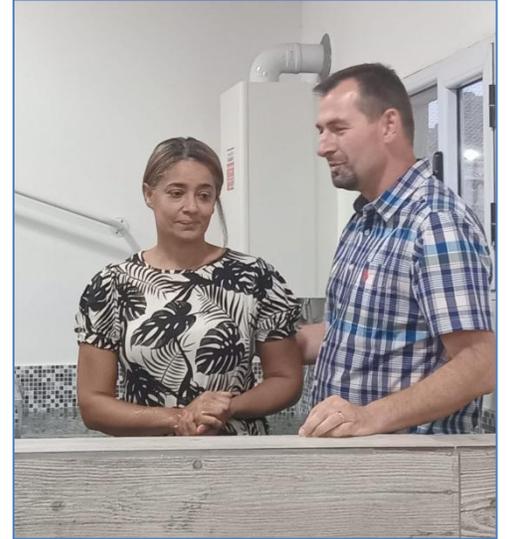

Shortly before our furlough last year, taking Caleb to college we had to move to a new house. In fact the move was so sudden that many of our belongings were still packed in boxes when we boarded the plane to the States. We were hoping that the new house would be something more permanent. We made it back to Argentina in December and were nearly finished unpacking and setting up the house when we received the notice that once more we were going to have to move. To make things short, the months of January and February were very stressful. Praise the Lord, He has brought us safely through, and we moved into a new rental house just over a week ago.

Trials come with triumphs, we rejoice that during the time of the housing upheaval that Luz followed the Lord in believer's baptism. She has been a source of stability in the new church work even while we were in the States for the furlough. Please be in prayer for the salvation of her husband Diego. He is happy for her to attend the church and was pleased to attend her baptism service, but due to his work schedule is unable to attend on a normal basis.

We have often requested prayer for the salvation of April's friend Monica. She has been attending lately and is very hungry for a relationship with Christ. We can see that God is working in her heart, but there is much that she needs to deal with in her heart and mind. Please keep her in your prayers for salvation. What a joy it would be to get to report in our next letter that she has accepted Jesus as her Savior. Please keep her husband William in prayer for salvation, also. What a blessing it would be to see both of these men saved and serving God in the church.

Please continue to pray for Adriana. She accepted Christ as her Saviour shortly before our furlough, but a busy summer work schedule has kept her from attending. We hope that as fall draws nigh here in Argentina that she will be able to attend again.
