"Let the word of Christ dwell in you richly in all wisdom; teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord." (Colossians 3:16).

As we reflect on this powerful portion of God's Word, we see the responsibility of letting the Word of God dwell in the child of God richly, which means abundantly or completely. People can't do that if they do not have the Word of God. We pray daily that we can get the Word of God into more hands and hearts around the world. Please pray with us.

As we reflect on last year, our hearts are filled with gratitude and praise because of God's abundant blessing on our ministry. God enabled us to print eleven truckloads of paper, producing almost 7 million Bibles, New Testaments, and Scripture portions. These Scriptures are traveling the world to bless and reach lost souls for our Savior. GLORY!

This year looks even bigger. We are off to a great start with three truckloads of paper already on hand and another two loads on the way. The paper comes in, and the Word of God goes out to the world. AMEN!

BUILDING UPDATE: The addition of another building is scheduled to begin construction in the spring. The steel has been delivered, and the drawings and permit are just about complete. It really can't come too soon as we struggle with the need of more space. This new building is needed to keep pace with the expanding production of God's precious Word.

God has provided to date **\$194,758.00** toward the need of **\$388,500.00** for the building. That means we still need **\$193,742.00** to complete the building. Would you pray about helping us? We would appreciate your investment in our ministry of printing the **"Word of God for the World."** With spring just ahead, we have little time to raise the additional funds we need to complete this project. God is able and we are trusting Him to provide for our ministry.

SPANISH BIBLE UPDATE: The first shipment of Spanish Bibles to Chile is just about ready to go. They have been printed and now are being bound and made ready for shipment. We have already started to print the second shipment for Chile. They will be sent to another part of Chile for distribution. These two shipments to Chile will place 50,000 Spanish Bibles there for the needy souls of this country. Please pray with us for the missionaries and the distribution of the Bibles.

COMING UP: Our next two projects include Bolivia, South America and Kenya, Africa. As soon the paper arrives, with God's help, we will print 25,000 Swahili New Testaments for Kenya and then print 25,000 Spanish Bibles for Bolivia. Please keep our ministry before the Throne of Grace. There is a great need everywhere for the Word of God, including the USA.

We appreciate your involvement in our ministry. It is a great blessing to work with you as we reach out to the world with the transforming power of God's Word. People need the Bible in their language to understand their need of salvation, and we are dedicated to doing all we can to see they get it. Together we can, by God's Grace, get His Word to them. Keep praying!
