Dear Friends,

God continues His amazing work!

### Ministry

The Lord is at work in Milne Bay. The Word is being preached, people are being saved, saints are being edified, and God is getting the glory. Eastern Sky Baptist Church is doing well and continues to grow spiritually. Island Hope Bible Institute continues to see many blessings as well. We have completed classes on Bibliology, soteriology, the Trinity, and the Church, and we are currently studying through the Gospels. Our folks are grasping the lessons well and growing much stronger in their understanding and application of the Scripture. We have also been visiting brethren in a neighboring community called Laboda. One of our Bible school men has had a fellowship going there for several years, and we are visiting them frequently doing much teaching and working to establish them into a self-governing church. In addition to the fellowship at Laboda, we have been traveling to Sehulea hoping to establish a church there. There was a fellowship there started a long time ago by one of the faithful island brethren, who sadly passed away a few years ago. Since then the fellowship died, leaving only scattered believers. We visited them back in June and gathered them for a special service. We preached and taught, and they informed us that they wanted to start the fellowship back up. Weekly, we have been sending a couple Bible school guys to encourage them and sustain them, while I plan to meet with them monthly for extensive teaching. Recently we took a trip to Miradeba, a village on the other side of our island, to preach a meeting for pastor Brandon at New Creation Baptist Church. We ordained Pastor Brandon alongside Pastor Amos in 2023, and it is a blessing seeing them both continue in their service as faithful pastors. The meeting at Miradeba was very fruitful as we saw several people get saved, and several more got baptized. I, myself, was greatly encouraged by the fellowship, and I am so thankful for the brethren God has given us to work with. We praise God for greatly blessing our efforts to serve Him in the islands of Papua New Guinea.

### Family

Our family is doing well. We have had several birthdays recently. Jesse turned 1 on June 27. We had a nice birthday party for him, and all of our friends in the village came to our house to help us celebrate. Cherith turned 5 on September 11. We made her a piñata, and she had loads of fun celebrating with her friends and family. Please continue praying for our family as we serve in Milne Bay.

We greatly appreciate all your faithful prayers and support, we appreciate your help in the Lord's work in our corner of PNG, and we appreciate The Lord for His faithfulness!

*But none of these things move me, neither count I my life dear unto myself, so that I might finish my course with joy, and the ministry, which I have received of the Lord Jesus, to testify the gospel of the grace of God.*      *Acts 20:24*
