**DECEMBER 2025**

**AMAGI CHURCH CHOIR** Although the Amagi church is rather small, the choir is excellent. The choir often sings at local functions and music festivals. In addition to traditional Japanese songs, they present the gospel through hymns. This ministry has drawn several people to the church. Recently, upon recommendation from the Asakura City Volunteer Foundation, the church received a letter of appreciation from the Governor of Fukuoka Prefecture. Please pray for God's continued blessings on this ministry.

**BUSY, BUSY, BUSY** December is by far the busiest month of the year for the churches in Kitakyushu, Kokura and Amagi. The preparation for Christmas services for children, Christmas Eve candlelight services and special services on the Sunday before Christmas, plus the distribution of thousands of flyers keep missionaries, pastors and church members busy throughout the month. As always, we would be grateful for your prayers for these activities.

**KAMEOKA CHURCH MINISTRY** In 2026 I shall continue my ministry by LINE at the Kameoka Bible Baptist Church. At least once a month I shall sit in front of my phone on Saturday night (already Sunday in Japan) and preach at the church. I love the opportunity to continue preaching in Japanese. Please continue to pray for the health of Pastor and Mrs. Nishimuta.

Thank you for the support of \$75 in October and \$75 in November.
