Taking the Gospel to Asia and the North Pacific

BIMI Missionaries & Far East Director

June 2025

In May we **visited several military churches in Japan**. This was our first trip of this kind. Normally, we visit our Far East missionaries. When one invited me to preach a missions conference, several others invited us to come. We were **able to preach 25 times in 5 churches** (3 missions conferences and 2 missions emphasis days). The Lord blessed with an amazing trip including getting to lead a young Marine to Christ at Maranatha BC in Okinawa. Many decisions were made.

Praise the Lord that **after my hip replacement surgery** in mid-March, it gave me **no trouble at all**. Despite ongoing nerve damage from back surgery 4 years ago causing pain in my right heel, I was able to move around much better. Walking had gotten so difficult that I wondered if I could host future missions trips. This was a big deal because 5 previous trips (all to Japan), the Lord enabled us to see 3 families who are now serving in Japan as missionaries. We know that our trips were not the only reason for these families going, but it is a huge blessing to know that our efforts helped others find God's direction for their lives. Now we want to renew our efforts of taking people overseas because it allows people to see the needs on the field and affects their hearts for missions participation.

Let me share **a future blessing**. Another couple who are praying and planning to go to Japan as missionaries met on one of those trips. They also came to Camp BIMi. God continues to lead them in their commitment to Japan as well as in their relationship. Daniel and Breanna plan to get married in September and join BIMi later this year. Praise the Lord! More laborers! That is exciting!

Would you be interested in going with us to see missions in action? Please let us know your interests. **We would love to help arrange a trip for you** to see the great needs of missions and to see what God is doing around the world. **We invite you also to consider attending our annual Camp BIMi** (in July), which is an amazing week of learning about missions from 2 dozen veteran missionaries. Come join us! We would love to meet you and to introduce you to missions and the needs of the world.

Thank you for your prays and support as we promote missions in churches and Bible colleges and take the Gospel to Asia!
