

The Polanco Family

Dear Praying Partners,

11/04/2025

We hope this letter finds you well and enjoying God's faithful blessings.

Return to the Field

At the end of September, we returned to our field after a five-month furlough. We traveled a little over 20,000 miles, visited 14 states (OK, TX, FL, GA, TN, NC, SC, WV, NY, AR, NJ, PA, MD, and VA), and reported to 41 churches. The Lord gave us a fruitful furlough, and we are thankful to be back and plugged into our ministries again.

Mata Bonita

This church plant has become our joy. It is wonderful to see how the Lord is working here. We continue to have first-time visitors and several salvation decisions. One sweet blessing was seeing Juliani trust Christ. Her twin sister, Juliana, was saved last year, but Juliani had not yet made a decision. She would attend, but often only because her sister encouraged her. After her salvation, we immediately saw a desire to grow and learn about the Lord. Recently, when it was time to take her home, she said she wished she could stay with the church people all day long. What a blessing to see this new desire! We love this work and rejoice in the exciting things God is doing each week.

Nagua

We are grateful to be among our people again. When we returned, attendance had dropped, so we are working to get everyone back in church and reach new people with the Gospel. We are encouraged by the

faithful brethren who served in various ministries during our absence and showed maturity and steadfastness.

We have been doing outreach events to connect with new individuals. One special event was a new-moms gathering hosted by the ladies, with help from a medical missionary. Many teen moms attended. We provided items for their babies and shared the Gospel. One mom has begun attending church, and we are praying the Gospel takes root in her heart.

Building Project

By God's grace, we raised \$90,100 for our building project, bringing us to 72% of our goal. We hit the ground running upon arrival. The walls are up, concrete is being poured for the 18 columns for the second floor, and the church kitchen is almost completed. We look forward to sharing a video update soon.

Additionally, we want to let you know that our family is currently in a season of transition, as we have opened our home to support a loved one who is going through a challenging time. We are trusting God's faithfulness as He guides and sustains us each day, and we would be grateful for your continued prayers.

Thank you so much for your prayers and support!
