# Rays' Report

*My Dear Friends:*

As Christmas time draws near, I am reminded of a woman in Romania. We were having a citywide meeting and distributing thousands of Bibles to

people in that meeting. With tears running down her face, the woman said, ***"All of my life I have wanted a Bible."*** That woman out in Romania and people in many other places this Christmas can open a Bible and read the Christmas story. They can read of a **God who loved them and came down and dwelt in a human body to save us.** We distributed a **MILLION BIBLES** in **Russia** and **thousands**

**more in Colombia and Ushuaia (the end of the world).** We have provided 200,000 specialized Bibles for the United Kingdom . . . **but our work is not done.** Thank you for having a part in this great work. You can never give a Bible to the wrong person. ***Merry Christmas!!!***

*Yours for the Harvest,*
