CHURCH PLANTERS TO UGANDA

Dear Pastor and Praying Friends,

12 December 2025

Thank you for your continued prayer and support of the work the Lord is doing at Twin Hills Baptist Church. We hope and pray that you have a Merry Christmas. God has been so good to us the past four months we have been on furlough. Even though it has been busy and we have traveled much, the Lord has been so very good to us!

Furlough:

As of the beginning of December, we have now reached the halfway point of our furlough. God has been gracious to give us safety as we have traveled. We have driven many miles in the last four months, and we are thankful that the Lord has kept us safe and given us good meetings as we update our churches about what the Lord is doing in Uganda. We have traveled to Florida, Canada, Washington, California, and back to Missouri again! This month we have been in Ohio, and currently we are heading to Texas for Christmas. We are thankful we have been able to share the Gospel as we have traveled. In October, Seth led Moses to the Lord in Puyallup, Washington. It's always a blessing to see someone get saved in your presence.

Twin Hills Baptist:

We praise the Lord; many people have been saved in our absence in Uganda. In November, the men saw 11 people place their trust in the Lord for salvation. The men of the church have been faithful to keep the ministry going. They've seen people saved and have seen visitors each week. It is exciting to see them take the lead and allow God to grow them.

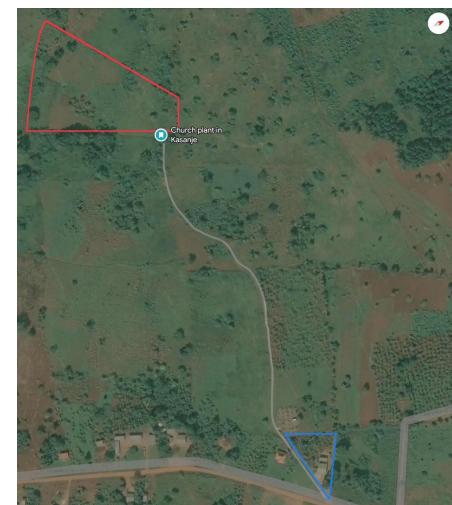

Kasanje Land Update:

Many of you have been praying for the Lord to provide a piece of land on the main road in Kasanje for a future church plant. With the help of Horizon Baptist church in Camarillo, California, we were able to do just that! The Lord gave us a third of an acre with a small house on the corner of the main road and the road that leads to the future Christian school! We are so very grateful and definitely saw God's hand working in the details every step of the way. Lord willing, when we return to Uganda, we will be able to begin a Tuesday night Bible study and see the Lord grow his work in Kasanje.

Thank you for your prayers on our behalf. We have enjoyed being able to update many of you and look forward to seeing many more this next year!
