Dear Friends,

Praise the Lord that through all the difficulties with the political situation in the country, God has blessed His children. Two Sundays ago we had our 42nd anniversary in our church. It was full to overflowing. After preaching, 14 people lifted their hands to say they wanted to receive Christ as their Savior. I talked to several, and other Liners talked with the rest. Yes! There are still people getting saved.

Last Sunday I preached in the second church that we started. Seven more people got saved and five people were baptized.

Yes, it's true that God said *"Lift up your eyes and look at the fields for they are ripe unto harvest"* John 4:35. My wife, Susan was teaching last Saturday in a ladies conference in the 79th church. On the 11th of May she will hold the pastors wives camp. Please pray for them. It is beautiful to see what God is still doing.

You know that we have started churches under trees or in new Christians' houses. God has put in my heart to help them to build their church building. Thank you, thank you so much for your help. We are finishing five of them now. Pray that God will provide what we need to finish the last ones.

There are beautiful changes that God is bringing to our country. Keep on praying for us. If you have WhatsApp on your cellphone, send me your number and I can send you pictures of the churches we are building.

May the Lord richly bless you.
