

Summer in Nicaragua - 2025

Greetings in the name of the Lord!

"Pray without ceasing. In everything give thanks: for this is the will of God in Christ Jesus concerning you." 1 Thessalonians 5:17-18

What a great summer so far! The churches in Nicaragua are busy and we are thankful! I am grateful for each one of you that are praying for the Nicaraguan Outreach Ministry, and the Bible Institutes. Many are coming to know Christ and beginning their spiritual journey.

Several of our professors and teachers were able to get together and plan for the coming year. This is a great time of fellowship and worship. This is a necessary time for planning schedules and curriculum.

Vacation Bible School was held at the institute building in Puerto Cabezas by the church "El Faro" (The Lighthouse). It was great to see the children experience the Word through games and community. Pray for this growing work in this eastern port city.

A weekend Bible institute has started up in the capital city of Managua. This helps us reach those that are working full-time. This is held in the same church that was recently rebuilt and has been in existence for 50+ years, Iglesia Renacer.

Last but not least, the Sunday school classrooms in the church at Rosita that many of you are helping to build are progressing well! This is a town that started as a copper mine in the 1940's. It is a long and hard journey to get there, and we are blessed to have a great pastor, Bill Lopez, who is leading the work in the church of Iglesia Bautista La Gracia.

Please continue to pray and give to these works, and others as we continue to work with the teachers and pastors that lead the institutes and churches. If you would like to help grow the work through giving, please give to the Bible Institute Fund by sending a gift to BIMI for missionary 38, Acct 261.

Thank you all. May God bless you abundantly in all that you do.

Sabina Dayton
