*"I will praise thee, O LORD, with my whole heart; I will shew forth all thy marvellous works. I will be glad and rejoice in thee: I will sing praise to thy name, O thou most High."* Psalm 9:1,2

We are very thankful for the many that have stood with us, prayed, and supported the ministry of Beacon of Truth over the years. God has certainly blessed us with a strong force of churches and individuals that care about lost souls and desire to get God's Word to them. Eternity will reveal the fruit that has been produced by your faithful involvement. THANK YOU!

**BUILDING PROJECT:** The structure for the new building has arrived. It will sit over the winter, and construction is to start the first of April, the Lord willing. This building will add an additional 4,500 sq. feet to our existing building and the space is desperately needed. We must expand as we continue to produce the Word of God for needy souls around the world. Everything is paid for at this point. Praise the Lord! However, we need \$310,000 to complete the new building. As you can see, we need your help. Please pray and consider what the Lord would have you do to help us with this project. I look forward to hearing from you.

**BIBLE PRODUCTION:** We are in the process of printing 25,000 Spanish Bibles for South America. They are being assembled and bound and made ready for shipment to Chili. As soon as they are completed, we plan to print another 25,000 for South America as well. The need is so great, and we are thankful for the privilege to print the Word of God for distribution around the world.

**PANAMA PROJECT:** The second of three containers is now on its way to Panama. We have promised 1 million John/Romans to the missionaries in Panama so they can place a copy in each of the homes there. We have shipped over 500,000 so far and continue to print and assemble more for their use. Please pray with us for a great harvest of souls to come to know Christ as Saviour. There is power in the Word of God, and it will accomplish God's purpose wherever it goes.

**PHILIPPINE PROJECT:** We were able to provide Missionary Doug Salyer with a truckload of New Testaments and Romans booklets with the illustrated plan of salvation for distribution in the Philippines. He has been sending these materials to the national workers and soon he will be joining in their work. He has completed his deputation and is now ready to go. We plan to continue to supply him with these materials as they work to reach and disciple the people there. Pray for this outreach that many souls will be saved.

**THANK YOU:** It would be impossible for us to reach around the world with the Word of God without the help of our supporting churches and individuals. You are a great blessing to us and to the work of "Sending the Word to the World." I can't explain adequately how precious you are to our ministry. People need the Lord and for them to know about the Lord Jesus they need the Word of God. Your prayers and financial support are so appreciated. May God bless you for all you do for Him.
