Dear Praying Friends,

Thank you for praying. After several months of delays and cancellations and rejected paperwork I have purchased tickets to depart for Wau on June 20th for two months. It will be a long busy trip with teaching classes at the Bible school and preaching at several churches. There are five new families at school this year.

Tribal fighting is off and on in the area. Continue to pray for the salvation of our friends there Daniel and Donna and Lynn and the protection of our Christians.

In September a youth camp meeting is planned at the Bible school.

Shalom,

Jim Blume
