

Dear Praying Supporters,

Again, we thank you for your faithful prayers and support for this ministry that God has allowed us to be a part of for 23 years. We appreciate all of you and are thankful for our partnership with you in the planting and restarting of churches across America.

March found me making my way north to preach a Mission Emphasis Sunday during mission month at West Hampden Baptist Church near Bangor, Maine. It was the first time to be in this church where my good friend Nathan Dorsey is the pastor. God blessed with a good meeting and I found out March is still very much winter in Maine. Spring is mission conference season, and it was a privilege to also speak in mission meetings in Fort Pierce, Florida, as well as Culpeper, Virginia, and Russellville, Arkansas.

In April, we brought all our USA BIMI Reseeding America church planters and their families together for encouragement, fellowship and instruction at a nationwide USA Reseeding America Field Conference. This year our field conference was held at Liberty Baptist Church in Callahan, Florida, near Jacksonville. Pastor Adam Pierce and his members did an outstanding job hosting our meeting. Pastor Brian Patrick from Ailey, Georgia, was our keynote speaker on Monday and Tuesday evening and Pastor Ed Alexander from Chattanooga came to conduct sessions for our teens. Pastor Pierce encouraged our group by speaking on Sunday and presenting an excellent Baptist History session on Tuesday morning, which challenged all of us. Our ladies also had special sessions.

Recently I spoke at Pensacola Christian College in Pensacola, Florida, during their church planting seminar. I believe this was the sixth time I have had the opportunity to challenge the ministerial students for church planting and church restoration.

It is always exciting for us when our church planting missionary families finish deputation and head for the field to plant churches. Last week I met with two of our BIMI families who are now ready to start their ministries. Manny and Kate Jimenez (upper left) are going to the Navajo Nation in Arizona and John and Kenzie Jones (lower left) are headed for Alaska. Please pray for these fine families that God will keep them safe and provide each need they have. We have other USA families who will be starting churches this fall in Nashville, Tennessee and Chicago, Illinois.

Thank you for your faithful support and prayers,

Bob and Jennifer Larson
