Rays' Report

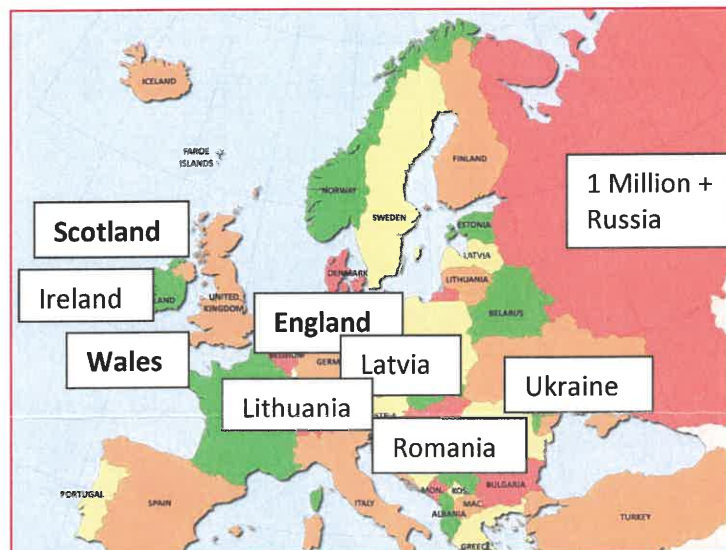

My Dear Friends:

The Psalmist challenges us in Psalm 68:11: **“The Lord gave the word: Great was the company of those that published it.”** You cannot give a Bible to the wrong person. On the maps below, please note the places where in the past few years we and our missionaries have distributed the Word of God. Our ministry now is covering all the expense of getting the designed New Testament right to the missionary’s door with no charge to him. At the present time, we are working on the “Reseeding the United Kingdom Campaign.”

BIMI missionaries have distributed over 1 million Bibles in Europe and at least 212,000 in the UK. But thousands still wait for light. Thank you for your help in getting the Word of God into the hands of those without hope.

Mary and I continue representing BIMI and missions in churches as we strive to lay the needs of the world on the hearts of Christians here at home.

Pray for us as the Lord reminds you.

I am... yours for the Harvest.
