Serving the Lord for 35 years in Argentina's 5th largest city

February 2026

Dear praying friends,

Praise the Lord for summer time in Argentina. It is very hot but we really enjoy it.

We are in a summer camp for young people. There are 120 youths and we are praying that God changes lives. There was a storm and no water at the camp so we are trying to do the best we can. They are bringing water in to drink and there is a stream about 30 minutes away.

We are thankful to God for Miqueas. Miqueas is a teen that used to attend a few services and would sit next to my wife. His face showed signs of malnutrition. We fed him and prayed with him. He asked my wife to pray for his brother who was mistreated in prison. Eventually, he quit coming. Recently, he came back and brought some relatives to church! He said he was happy the Lord answered his prayers for his brother will be free soon. A man in our church paid for Miqueas to go to our camp. It seems he is happy and learning the Bible. Praise the Lord for the work He is doing in Miqueas!

We already mentioned last month that my wife got her visa. Plans are to head back to the USA in May and stay until September. We would like to come back and report to the church if it works out for you. It has been many years since we have been back to our churches, hopefully we can touch base with many of you.

Our new email doesn't work anymore, so please, if you want to contact us write to this email: almagarza75@gmail.com

God bless you and thank you for your prayers and support.
