OH PRAISE THE LORD ALL YE NATIONS

Dear Dr. Rodney & WJBC,

O praise the LORD, all ye nations: praise him, all ye people. For his merciful kindness is great toward us: and the truth of the LORD endureth for ever. Praise ye the LORD. PSALM 117:1-2

Happy New Year! We are very grateful for God's mercy and kindness which are great towards us as we continue to labor here in His vineyard in the 4th quarter of the year 2024.

The church has started the quarter by stepping up our missions commitments. We have added some local missionaries to support and have also supported some local pastors we were assisting before, in addition to adding a foreign missionary. We have witnessed several professions of faith, and some new members have joined the church this quarter.

In the following months, we continued to work diligently for the harvest and have seen the growth of new believers through our one-on-one discipleship efforts, Sunday school, and preaching. We have also raised funds for our building construction. God has been gracious in meeting the needs of the church, and we are planning to elevate our efforts even further in 2025.

In the meantime, we have been amazed by God's work in the lives of our people. One of the recipients of our gift-giving program from years ago, who now has a family and a decent job, generously contributed funds to support our gift-giving endeavors last December, in addition to being a faithful member of our church. We have had several professions of faith through the "Greatest Gift of All" ministry and have raised more funds from our thanksgiving offering for our ongoing building construction.

Please continue to pray for our family's health as we have experienced ups and downs this year. We pray that God will continue to guide us as we navigate this year according to His will. We deeply appreciate your ongoing prayers and support for our family and ministry.

Praying,
Msny Roy & Jovie Montero

CHALLENGE!

Living Hope Bible Baptist Church in Sihanoukville, Cambodia, is taking a significant step of faith by raising funds for our future church building. By God's grace, someone has generously paid off our property, and the church has successfully raised funds for our building project needs. Phase 2 construction, which includes the Sunday School room, mezzanine, and public toilets, has been completed. At present, we are moving forward to build another phase of our church building, which costs **\$5,440.00 - now we need only \$2,127** specifically the slabs for the church offices and multi-purpose rooms. We warmly welcome anyone who would like to contribute to these endeavors and support our church. Missionary Roy Montero
