Missionaries to the U.S. Military Worldwide

“For, brethren, ye have been called unto liberty; ...but by love serve one another.” Gal 5:13

We find similar words in 1 Pet 2:16, “As free, and not using your liberty for a cloke of maliciousness, but as the servants of God.” It is a joy to be servants of the Lord Jesus Christ and others. Though the last two months of ministry have looked a bit different, they have been most blessed.

In August, instead of having a family game night, we went bowling. It was neat to pray and open God’s Word in a public place on base. We also had our Teen ministry, normally at the church, in the base gym. Again, we were excited about opening the Bible in public and both events were tons of fun!

In September, we took a break from our normal Men’s Prayer Breakfast and Ladies Bible study. The men enjoyed a hike around a nearby hill, while the ladies had dinner at a local restaurant. It was refreshing to be challenged by the Word of God in a different setting.

As the month concluded, we launched out to focus on the Great Commission and heartbeat of God! Instead of a conference this year, we are thrilled to spotlight missions for 5 weeks! It was a great start with the Bolton family ministering to us in the Word and many other ways that encouraged our family. Please pray for servants to answer the call to preach, for more laborers in the harvest, and for our missions-giving to increase.

The highlight of September was starting discipleship with 7 individuals. On Tuesdays, we have 3 sailors over for a meal and discipleship, and our 3 oldest children are joining us. In addition, Catalina, from Romania, came to one of our services stating she had repented of her sins at home, after reading the Bible on her own. She called a Christian friend in Romania, and that friend told her she needed to get into church right away. Catalina found Calvary, committed to weekly discipleship, and has many questions. It has been a thrill to see the excitement about learning what it means to be a disciple.

Thank you for investing in us, through your prayers and financial support.
