God is faithfully expanding His Work!

Thank You Gang for your continued prayers and support!

For years, God has laid a strong foundation through the training of national pastors, and we have witnessed Him faithfully grow His mission in spreading the gospel across Sub-Saharan Africa. Thousands have been saved and disciplined, and hundreds of churches have been planted!

International African Missions (IAM) is dedicated to empowering faithful missionaries in Africa by

providing support, training, and resources to help them spread the Gospel and foster community development across the continent.

Through these fostering partnerships, supporting the lives of missionaries, and providing essential training, IAM aims to create a bridge that connects hearts and transforms lives in Sub-Saharan Africa in Jesus name.

Now, I am excited to share how the Lord continues to expand the work of International African Missions!

Tommy Brado has answered the call to come alongside me in this vital work. Partnering with me in that vision moving forward — traveling, sharing the mission, and making churches aware of all that God is doing across Sub-Sahara Africa. I want to thank Tommy and his family for how much of a blessing he is already to me and International African Missions! He is booking his speaking schedule now for mission conferences here in the US. Please pray consider having him come to your church to share the work God is doing in Africa!

There is still much Kingdom work to be done — to the glory of God!

“BEHOLD HE IS DOING A NEW THING”

After our recent board meeting we thank God for the launch of the new ministries under International African Missions!

Our new Women’s and Children’s Division of IAM!

IAM HIS WOMEN’S MINISTRIES

Angela Morgan, my eldest daughter, will be stepping into the leadership of this new ministry. As Director, Angela will be in communication with the women’s leadership counsel of GCMS at Kafulafuta Mission. Many of these women care

for orphans and widows, and have recently travelled 14 hours by bus to have their 1st ever women's conference outside of Kafulafuta. These women went into the markets of Nakonde (Northern Zambia) a few days before- witnessing to women, and inviting them to the conference. 108 women attended, and 56 women were saved!

Because of your donations those ladies were able to travel there and back and also provide meals to those in need. We are so thankful that the Lord provided for their travel, safety, and a mighty harvest of souls!

We have seen first hand how God has used Angela to encourage the women in Zambia to pursue an intimate relationship with Jesus. Angela is a gifted speaker, author, and Bible teacher who has led discipleship groups, women's conferences, and Bible studies with a passion to empower women in the Word and prayer.

Her heart is to see women grow in their personal relationship with Jesus and impact their homes, churches, and communities for Christ. If you need someone to come and speak to your ladies, I recommend her!

JESUS GONNA JESUS CHILDREN'S MINISTRIES

We are thrilled to introduce Jesus Gonna Jesus Children's Ministries!

This exciting new ministry is led by Jane Cross, who brings over 20 years of experience in children's ministry, training Sunday School teachers, and teaching the next generation herself. I have seen Jane in action with the children of Zambia, and let me tell you what a blessing she is to International African Missions! Jane has recently written an 8-week curriculum titled "Jesus Gonna Jesus," designed to equip

Sunday School leaders in helping children find JESUS from Genesis to Revelation — pointing young hearts to Christ in a fun, simple, and deeply impactful way!

I want to thank Jane and her church Caves Springs Baptist in Priceville, Alabama who have partnered with us in seeing many children come to know Jesus as their Savior!

PRAISE REPORTS FROM THE FIELD!

Thousands of Bibles in Zambia!

Praise the Lord — the long-awaited container of thousands of Bibles has safely arrived at the mission and is already being distributed across the regions! God's Word is going forth with power!

LOOKING AHEAD — TO THE NEXT GENERATION AND BEYOND

Together, these new areas of ministry will strengthen and expand the vision of International African Missions — training, equipping, and empowering the Body of Christ across Africa for the glory of God.

Upcoming Trips

In 2026, IAM will be taking more mission trips to encourage and support our brothers and sisters in Christ throughout Sub-Sahara Africa. We are praying for God to continue opening doors for deeper partnership and discipleship. Please pray for us!

New Giving Opportunities Coming Soon!

As of right now our online giving is under construction, but will be up in running soon. There will be several ways to donate directly to support national pastors, as well as the women's and children's ministries. Every gift helps spread the gospel, train leaders, and strengthen local

churches. We cannot thank our donors enough for all that you are doing for the Kingdom!

TO GOD BE THE GLORY

We give Him all the praise for the past, the present, and the future of this work.

"Truly, the harvest is great — and the Lord of the harvest is faithful!"

International African Missions remains committed to building bridges that connect hearts, transform lives, and advance the Gospel throughout Africa and beyond until the trumpet sounds or He calls me home!

Stay Connected!

Follow IAM on Facebook and Instagram for updates, testimonies, and prayer needs.

With love and gratitude,

Dr. Bobby Bonner,

President of International African Missions
