Wishing You a Merry and Blessed Christmas!

November 2025... PRAYER LETTER

Dear Friends in Christ:

We pray you had a wonderful Thanksgiving Day with family and friends. Patsy and I were home this year, but our daughter Susan, her husband Kevin, and our two great-grandchildren came down for the weekend after Thanksgiving. We are grateful to the LORD for family and friends. The Lord is so gracious, and we cannot count all the blessings He has given in our lives and ministry. You are included in that number.

On November 30th my heart went into atrial fibrillation. We had gone to Dunlap, Tennessee, to minister in the Community Baptist Church, but when I stood up to preach, I realized something was wrong. I ended up sitting in a chair at the altar to speak. Fortunately, I was able to preach and then we drove home. The next day, ignoring the serious weakness, I drove myself about 30 minutes away to have an eye exam but had to have Patsy and a friend go bring me and my pickup home. As I write this, I am still very weak, and my heart is still out of rhythm. **PLEASE PRAY WITH US FOR GOD TO BLESS.** We went to my cardiologist on Tuesday, and they have prescribed a med that, Lord willing, should correct the situation with my heart.

We are rejoicing in **God's blessing** in the lives of the believers and churches both in Central America and the USA. The Lord continues to give fruit from our ministry.

May God bless each of you in these special days before **CHRISTMAS**. We thank you for your faithful prayers and support for us and our ministry at and through BIMI.

The 26th of December I will celebrate the 60th anniversary of my ordination to the Gospel ministry. At that time, we were students at Tennessee Temple College, and I worked full-time at Zayres. In addition, I was pastoring Wayside Baptist Chapel in Sale Creek, Tennessee. Several new converts were baptized shortly thereafter. The Lord has given many more converts through the years. **Glory to His Name!**

In His service,

Bob and Patsy Green
Philippians 1:3-4
