

The Kirkmans

Missionaries to Utah

Intermountain Baptist Ministries

July/August 2026

Dear Supporters & Praying Friends,

Like many of you, the summer was a busy time of ministry, and we thank the Lord that He gave us another season to serve Him. We started July off with a parade in Hyrum City on the 4th promoting our VBS. This area is tough because of the LDS influence, but in spite of that, we averaged 30 kids each night and our church enjoyed serving with each other. Many in our church had never participated in a VBS so it was great to see them get involved and they are excited about next year already. To cap off it all off, 2 adults and 5 children put their faith in the Lord!

On July 12th, Mt Logan Baptist celebrated 12 years. We look back over the years and rejoice in the goodness of God. He has done exceedingly and abundantly above all we could have ever ask or think! Looking back, I'm thankful for the call and that we heeded it. The souls that have been saved and lives that have been impacted has made it all worth it, in spite of the hardships. Glory to God!

At the end of July, we had the opportunity to take 7 of our college age young adults to Tennessee to preach in a meeting. Some had never been back East and it was great time, as we got to spend quality time with them. The messages made a great impact in their lives.

In August, we had had a 4 day revival meeting. Pastor Alfred Willis, from South Carolina, came out with his wife and preach for us. Brother Willis has faithfully supported our ministry, and it was a blessing to have him here so he could see what he and the church has invested in all these years. The church enjoyed the messages and I pray for lasting fruit.

The last Sunday of August, we held a baptismal service up in Logan Canyon. The weather was beautiful and the spirit of the service was wonderful. I preached by the river, the choir sang, and we had a spread of food. There was a total of 8 that followed the Lord in believer's baptism with ages ranging from 6 to 81!

Intermountain Baptist Ministries (IBM) News

Brigham City Baptist Church is doing well. We have seen some visitors here recently and a lady named Ronda got saved recently. She was one of the 8 that got baptized. A young man from NC came out to intern with us. He will be with us for 8 months and he is praying for the Lord's direction. He surrendered at Vision Week to come out West, and we are investing into him as he is led of the Lord exactly where he is to be.

Open Door Baptist in Fillmore, UT is doing well. Brother Ryan And Abigail is faithfully serving and will need some help with some remodel work soon. As you know, the \$200,000 was raised for the church building and there needs to be some interior work done. They were also given a property that has a double-wide on it. It was where the church was started 4 years ago and the goal is to turn it back into a home for them to live in. If you or your church is interested in a missions trip to help them on these projects, please contact me! God bless!

Because of Christ,

Nathan A. Kirkman
