Dearest Prayer Warriors:

The sobering reality that the "billions untold are still untold" demands that we cry out for the Lord of the Harvest to give us a life-changing burden for lost souls all around the world. It is our God given duty to give them a clear presentation of the Gospel of Christ before it will be forever too late.

**CHURCH:** Our Church has taken on the challenge to beg God to send us a Revival. We have been meeting at 12 noon for the CHAYAH PRAYER FOR REVIVAL. The Hebrew word *Chayah* voices out Habakkuk's burden for God to intervene and mightily work on our behalf, **"O LORD, revive thy work"**. We have already seen several of God's children yielding their lives with a fresh commitment to give the Lord first place on their lives and to serve Him with a renewed dedication. Souls have been saved and just recently the Lord added 3 new families to our Church membership. **Praise the Lord!**

**EDUCATIONAL MINISTRIES:** Christian School – We **praise the Lord** for providing the funds for us to implement the **2<sup>nd</sup> phase** of our School Expansion Project. The Building Project has already allowed us to take in a few more students for this semester and enlist some other new prospective students for the next. The following students were recently saved thru the ministry of our Christian School: **Ana Laura, Antonella, Heitor, Lorena, Maria Clara e Miguel**. **Pray** that they will grow in the Lord: Ebenezer Baptist Institute – We **praise the Lord** for helping us to continue to prepare hundreds of servants for the Lord's harvest down thru the many years. On December 6<sup>th</sup>, 11 graduates from the 38<sup>th</sup> Class will use their years of theological and practical training to go out and proclaim the Gospel of Christ wherever the Lord will have them to go to. **Praise the Lord!**

**THE NEW CHURCHES:** Just recently the Lord has challenged Pr. Marcio Trindade to consider pastoring **Tabernacle Baptist Church in Bonfim Paulista**. For years he has been serving as a teacher at both our Christian School and Bible College. Bro. Marcio and his family are very enthusiastic about serving the Lord there. **Please pray for Maressa**, his oldest daughter, as she struggles with multiple sclerosis. As the Church at Bonfim Paulista continues to have a very solid membership and a good attendance on the services, plans are for us to build a church sanctuary providing seating for some 90 people. It will surely save us a great deal of money as we will not have to rent anymore.

**Tabernacle Baptist Church in Brodowski** continues to have a steady group of people attending the services there. A couple weeks ago a young man named **Alex** came to the saving knowledge of Christ. He has already decided to attend our discipleship class. Last Sunday he brought his mother **Neide** and his sister **Alessandra** into the service asking that we would diligently pray for their salvation. Again, we ask you to remember Pr. Gilberto and his wife as they have been facing strong opposition there.

Please accept our heartfelt gratitude for your faithful support. May the Lord greatly bless you.

**NOTE:** We apologize for delaying this newsletter. Sharon and I faced some health issues recently, such as the flu, a diverticulitis crisis, and even an emergency surgery. **Pray for us!**
