SCRIPTURE ASSEMBLY PROJECTS

"And the Lord, He it is that doth go before thee, He will not fail thee, neither forsake thee: Fear not, neither be thou dismayed." (Duet. 31:8)

We face many trials in life, and the printing of God's Word is not free from Satan's darts. One area we have struggled with is the search for parts for our printing press. In addition, we encountered difficulties in finding what we needed to fix our collator. Those parts come from Germany, and it takes forever to get them here. Delays are costly and we need your prayers to get these issues resolved. Thank you for standing with us.

YOUR PRAYERS AND HELP ARE NEEDED

BUILDING: Construction is to start the first of May. We urgently need this building and the additional space it will provide for us. The building will be a warehouse and will give us the opportunity to get ahead on the Bibles and Scripture portions for our many projects. Our aim, once we have the additional building, is to have more Bibles and Scripture available for future projects. The calls keep coming every week and the fields are ripe unto harvest. We must proceed without delay. **THAT IS WHY WE NEED YOUR PRAYERS AND HELP.** We still need **\$180,214.00** for our building project. In addition, we are waiting for the final amount we will need for the electrical work. There will not be heat and air in the warehouse and all we will need is the lighting and electrical outlets. **AS YOU CAN SEE, WE NEED A MIRACLE!** He can handle what seems impossible to us. Please join with us in earnest prayer for this project.

SOUTH AMERICA: We are shipping this week 750,000 Spanish Romans booklets with the illustrated plan of salvation in them. They will be distributed all over South America and thousands of souls will be reached with the Gospel through these booklets. In addition, we are getting very close to sending 50,000 whole Spanish Bibles to Chile. Once they are on the way, we will print another 50,000 whole Spanish Bibles for Mexico and Paraguay.

KENYA AFRICA: We now have the New Testament we are going to print for Kenya. It is a new translation following the Textus Receptus in the Swahili language. We are humbled and honored to print the first copy of this new and updated translation. We plan to print 25,000 of them in our first printing and I'm sure more will be needed in the future. Please keep this project in your prayers as we move forward for the Glory of God.

We are so thankful for your prayers and financial support that enables us to print the precious Word of God and distribute the message of the Gospel around the world. Friends like you are very special to our ministry, and we are deeply grateful for your involvement in our work for the Savior. Thank you for all you do, and please continue to pray and stand with us.
