Brethren, Pray for Us II Thess. 3:1

June 2026

Dear Praying Friends,

We bring you greetings from Warrenton in Virginia. At the end of March, we moved from North Carolina to be with our daughter Ruth in this place. I have regained much strength as I have religiously followed the medical advice and instructions given me by the doctors handling me after they had inserted a pacemaker to help my weak heart. A birthday card sent to me on my 84th birthday by a Women's Fellowship in one of our supporting churches in Chattanooga, Tennessee, ministered tremendous encouragement to me. The birthday card arrived two weeks before my birthday which fell on May 27th. On the card is quoted this scripture verse from *Psalm 73:26* - "God is the strength of my heart, and my portion for ever." This scripture strengthened my faith in the Lord and has brought me much joy and contentment. I am still praising the Lord and thanking Him for using these gracious ladies to send me such an encouraging message at such critical time in my life.

Bridgette and I are deeply thankful to the few friends and churches who have continued to support us both financially and prayerfully even though we are now on retirement. These stipends have helped us to meet living expenses and also enabled us to settle some co-pays that medical expenses entail. I have doctors' appointments lined up for this year, hoping that the doctors might approve and give me a green light to depart to my field of work by April 2027 by the will and grace of God.

Two of the churches the Lord enabled us to establish on our mission field are struggling. The other eight are doing well. Of the two churches struggling, we have asked Pastor Alex Ofei of Jesus Saves Baptist Church of Buokrom to go about 20 miles west to a bigger metropolitan town, namely Nsawam, where the population is made up of diverse tribal people. My assistant pastor and deacons from our main church in Accra will be helping him in evangelism and soul-winning activities from time to time. Pray for Pastor Ofei that the Lord will give him success in this new effort.

The other struggling church is the Biriwa Jesus Saves Baptist Church located at Biriwa, a fishing town in the Central Region of Ghana. Pastor Benjamin Arthur, who already pastors a church in the area, is the pastor of this church. This town is idolatrous and given to witchcraft practices. Please remember Pastor Arthur in prayer so that the Lord might strengthen his hand in this work. We need missionaries and Christian workers in this field.

Here at Warrington in Virginia, we are fellowshiping at Trinity Baptist Church, a fundamental Baptist Church, with a very strong outreach in foreign missions. The pastor is Rev. Jim Shelton who is teaching, preaching and feeding us with God's eternal truths every Sunday.

As always, we thank you for your constant prayers and financial support, praying that the Lord strengthens your hands in spreading His eternal gospel till Jesus comes again.

Sincerely in Christ,

Harold & Bridgette Holdbrook
