Dear Praying Partners and Co-Laborers,

10/20/2026

Greetings from the Dominican Republic! We are thankful for the ways the Lord continues to work in our church. Lately, we have been especially encouraged by seeing our people grow in their faith and find opportunities to share the Gospel with those around them.

Angel's Baptism

We recently had the joy of seeing Angel take the step of baptism! Here in the Dominican Republic, getting people to follow the Lord in baptism can be challenging because of deeply rooted Catholic beliefs and cultural traditions. Many grow up believing that baptism is part of salvation, so we often teach the importance of following the Lord in baptism after salvation. Angel trusted Christ during our first youth meeting this year, and it has been a blessing to watch him grow as a new believer and take this step of obedience to the Lord. Please pray for this young man; we see so much potential in him and are praying that he continues to grow in his faith. Also in September, several of our men attended a retreat with other churches, where they were encouraged to build godly friendships and walk faithfully with the Lord. We are thankful for this time of fellowship and spiritual growth!

share the Gospel. We pray these lessons will continue to bear fruit in their lives and encourage others to share Christ.

Throughout October, our church has joined 24 other pastors and churches in a special evangelism campaign, emphasizing our responsibility to reach the lost. We have been challenging our people to look beyond the walls of our church and recognize the spiritual needs around them. It has been encouraging to see them step out in faith! Recently, one young lady from our church shared the Gospel with someone for the very first time!

Even our younger girls are getting involved! During Sunday school, one girl told Pam how she regularly takes Gospel tracts to school. This inspired a friendly challenge among the other girls to do the same (and we are all for a little healthy competition)! What a blessing to see them learning that God can use them right where they are!

Thank you for praying for us and for the ministry here. We are grateful to share these glimpses of what the Lord is doing, and we are thankful for your partnership in the ministry!
