Dear Friends and Family,

December has been a change of pace, as we were home for the whole month. Our scheduled meetings ended around Thanksgiving, so we have spent the time involved in our church, visiting others in the Jacksonville area, and scheduling meetings for 2026. We had a couple rounds of illnesses run through our family, but it is much easier to deal with that at home than on the road. Since we have been home, four churches have taken us on for financial support, and we are just short of 30% supported. Many others are partnered in prayerful support. It is a reality that we need financial partners to get to the field. But we are just as thankful for the faithful saints, who pray for us to a God who listens, cares, and answers!

We had the opportunity to help with our church's nursing home ministry this month, and it was a joy to celebrate Christmas with them. Ellie volunteered to sing 'Jesus Loves Me' for the residents, and she did great for her first time singing in front of people.

I was able to assist in our prison ministry once again, which I have missed since being on the road. At one of the prisons, two men came forward with a desire to pray to be saved. Please pray for these men, named Brian and Kamari. They prayed and made professions of faith. We are praying their professions are sincere, as these prisons let all

kinds of different beliefs preach to the people. We are also praying they will grow in their faith and seek the Lord's face through personal prayer and Bible reading.

Looking to 2026, our first scheduled meeting of the year is in Tampa on January 7 th . About a week after, we are leaving Florida for a couple of months of meetings and conferences. Please pray for our health, safety, and provision as we will be back in the full swing of deputation in the new year. We are excited to see how God will provide, as He always does!

### Prayer Requests:

- For safety and good health when we begin to travel again.
- For God to help us find churches to fill our 2026 calendar as best we can.

In Christ,  
*The Whiting Family*
