### Intermountain Baptist Ministries

Nov/Dec 2025

Dear Supporters & Praying Friends,

We hope you had a wonderful and prosperous 2025! It is hard to imagine we are already in a new year and we are excited to serve the Lord in 2026. For the first time since we have lived here, we did not have a white Christmas. The winter has been slow coming and as of the writing of this letter, we still have no snow on the ground. This is very unusual but we are not complaining!

Mt Logan Baptist Church hosted the Mountain West Fellowship in November. This is a tri-state fellowship that consist of Utah, Idaho, and Wyoming. It was an encouragement to fellowship with other ministry families and the preaching from the local pastors was a great help. The dear folks of Mt Logan really get behind these type of meetings and have a great servants heart.

Aundrea and I celebrated our 25th Anniversary on November 4th. God has blessed me with a wife that is steadfast in the ministry. She wears many hats, as many ministry wives do, and loves the opportunity to serve. I am thankful for my family and though we have had struggles like every family, we bless the Lord for His goodness in our lives.

Sickness hit our family and church in December and we were not able to have our church Christmas dinner. This Christmas was special for it would be our last one as a family of five. Maleeya will be getting married in May and though seasons bring change, we are thankful for our future son-in-law God has put in our lives.

Michael is a young man who has been visiting with us for a month now. He is 27 years old and came to church with a tender heart. He is tired of the old lifestyle he was living and wants to live for God. He has a testimony of salvation but has never been biblically baptized. We are in our second week of discipleship and he will be getting baptized soon. I am thankful for the opportunity to invest into his life and there are many more Michaels out there to reach, we just have to be willing to invest the time!

#### Intermountain Baptist Ministries (IBM) News

The church plant in Brigham City is going well. Brigham City Baptist Church is 2 1/2 years old and we have a faithful handful that makes all the efforts worth it. A family visited with us in November as a result from knocking on doors. Art, Heather, and there two small children came for a few weeks and Aundrea had the opportunity to lead Heather to Christ! As I have seen many times, her husband got upset because she got saved and is making it difficult for all of them. He claims to be saved and says he is a minister. Although none of it makes sense, we know that there are demonic spirits in the world and Satan has his ministers of righteousness. Help us pray that Art gets truly saved and that this family will become faithful to church!

Continue to pray as we try to continue raising funds for the church building in Fillmore, UT. We will be attending several church planting conferences this year and trust that the Lord will bring in the remaining funds! I will say more about Vision Week in coming letters but the dates this year are May 18th-20th. We would love for you to attend and please call if you have any questions. Press on!

Nathan A. Kirkman
